

# Reverse ADVENT CALENDAR

To support our nationwide fight against food poverty, please donate these items of food and hygiene products to your nearest food bank in the run up to Christmas.

On our website you can find out more about how to support our Community Cookery School, purchase copies of our Secret Dishes From Around the World fundraising cookbooks and discover a range of exciting recipes on our blog that can be made with the items we're encouraging you to donate.

Thanks for taking part in our Reverse Advent Calendar campaign this Christmas!
